

## Committee Recognition

### November 16, 2011—ARMS Auditorium

The Town of Amherst relies on the energy and commitment of those citizens who participate each year on the many boards and committees that are an integral part of our form of government. These citizens volunteer their time and expertise to help improve the quality of life in our community. The Town is indeed fortunate to be able to depend on the hard work and dedication of its committee members. The following citizens have completed their service of at least two full, three-year terms.
